**Small Group Questions**

1. Who has influenced your faith the most?

2. Without using names or telling a detailed story, try to share about how another person's spiritual failures impacted your own faith. Did it drag you down or make you stronger?

3. Joe made some strong points about belonging, membership, and church leadership. Do you feel his arguments were justified?

4. In what ways do you think our own church can grow in unity among its members?

5. On a scale of 1-10, where 1 is closed and 10 is open, how open are you to learning from new and different people?
